We offer dyes for applications in Wool, Nylon, Silk, Leather, Cotton, Wood-stain industries, etc. With over 50 products in our product line we cover all aspects of our customers needs.

The Company urge for Perfection is evidential in its attempt to supply Quality Products and consistently innovate from time to time implementing measures to enhance the quality of products and still remains competitive. We take care to implement best industry standard to provide total customer satisfaction. We believe in providing the best to our customers in terms of products and quality.

Company has its own manufacturing plant, analytical lab, R&D. Shital Enterprise regards environmental stewardship to be a core responsibility. The company is a member of common effluent treatment plant, solid waste disposal site of Vatva industrial area, Ahmedabad.

About Us

Shital Enterprise based in Ahmedabad was formed in 2016. We offer dyes for applications in Wool, Nylon, Silk, Leather, Cotton, Wood-stain industries. With over 50 products in our product line we cover all aspects of our customers needs. A committed partnership where wealth of highly motivated and experienced work forces is pooled, solutions is identified and support is ongoing. Shital Enterprise achieves customer satisfaction all over the world. We welcome our clients to share feedback after sales which help us to improve and achieve the mission of utmost customer satisfaction.

Mission

"Our mission is to provide best quality products and services through an integrated vision, optimum utilization of our resources and well-focused personalized efforts to ameliorate customer satisfaction and deliver enhanced stakeholder value, while keeping both the commitment and spirit of the organization alive."

Vision

"To be global market leader in Leather & textile dyes."

Quality

For us quality is as an ongoing process and we owe our success to resolving problems and providing meaningful service based on our customer's needs. Our single point motto is to provide quality services to our customers by striving to attain optimum level of operational efficiency and productivity.

Customer Focus

We wish to provide maximum value and satisfaction to our customers and hence we continually upgrade our skill sets and our service quality accordingly.

Innovation

We aim to constantly adapt, innovate and refine our processes, keeping the global business trends in mind so that leadership and credibility in our field is effectively maintained.

Our Services

Custom Dyes:

If you have a specialized product or application that requires a custom formulated colorant or dye, Shital Enterprise will analyze your needs and solve the problem.

Shade Matching:

If you need to find the perfect match for your product, we provide a color match service for different kinds of substrates (Leather, nylon, paper, silk and wool). Our Custom Color Matching process allows you to get the color you want under the light source you require
